

EHLS has been making homes and public buildings in the Chicagoland area easier to navigate since 1991. We are friendly, knowledgeable professionals who understand the importance of independence and we will take the time to **Get it Right for You!**

STAIRLIFTS / WHEELCHAIR LIFTS / ELEVATORS / RAMPS / PATIENT LIFTS / BATHROOMS

# EHLS

*Accessibility Solutions Since 1991*

# Going Up and Down Inside the House

- **Straight and Curved staircases**
- **Vertical and Inclined Platform Lifts**
- **Manual or Automatic Folding Rail**
- **Power Swivel Seat**
- **Upholstery Choices**
- **Painted Track**
- **Larger Chair and Footrest**

**If you have difficulty getting up and down your stairs, you're not alone.**

Every year thousands of people search for a solution to the problems associated with difficult navigation of the stairs in their homes. Our stairlifts are battery-operated, easily installed, reliable, safe, and in stock.

## A Residential Elevator:

- **Provides access to all levels of your home**
- **Increases the value of your home**
- **Eliminates accessibility issues**
- **Provides the ultimate in convenience living**

# Residential Elevators

**Our To The Top Home Elevators division allows for the ability to travel to multiple levels while maintaining a relaxed home atmosphere.**

Because of our many customizable design options, a residential elevator is perfect for new construction or an existing home remodeling project.

Division of **EHLS**

# Bathroom Modifications

- Roll-In/Barrier Free Showers
- Walk-In Tubs
- Roll Under Sinks
- Toilet Modifications
- Transfer Lifts

**Safe and convenient access to a bathroom is a necessity. We can make your bathroom as attractive as it is accessible.**

It is very difficult for someone to live in any home if they do not have safe and convenient access to a bathroom. EHLS has years of experience modifying bathrooms to make bathing and toileting as easy as possible for both the client and caregiver.

- Ceiling or Wall Mount Lift Systems
- Free Standing Lift Systems
- Track Systems
- Slings

## Transfer Lifts

**Ceiling Mounted Lifts (CMLs) are ideal solutions to assist in lifting and transferring of those with mobility challenges.**

# Home Modifications

- Room Additions
- Grab Bars
- Widened Doorways
- Hoistways
- Enclosures
- Kitchens

We help our customers with disabilities and those who are "Aging-in-Place" to remain safely, comfortably and independently in their homes.

EHLS has modified thousands of homes with mobility in mind. That's why we are different from other contractors — we are focused on making sure that the modifications will meet your mobility needs without forgoing style or comfort.

- Vertical Platform Lifts
- Inclined Platform Lifts
- Ramps
- LULA Elevators
- Dumbwaiters

# Commercial Modifications

Since 1991, EHLS has been a leader in the design and installation of accessibility lifts in public facilities, churches and schools.

# Getting In and Out of the House

- Outdoor Stairlifts
- Wheelchair Lifts
- Inclined Platform Lifts
- All Types of Ramps — Custom or Portable
- Automatic Door Openers

**EHLS has a complete line of products to assist with getting in and out of the house. We work with you to determine the right solution for you and your home — transforming the entrances into models of accessibility.**

# Why EHLS

## Since 1991,

Extended Home Living Services

has been a leader in the design and implementation of accessible solutions in homes and public facilities. In addition to assisting individuals and families, we work great with case managers, state/federal agencies, bank trusts, builders, and architects. Whether it is getting up and down the stairs, in and out of the house, or moving around in the home you love, let EHLS find the perfect solution for you.

### Local and Experienced:

- Family-owned and locally operated since 1991
- We serve the entire Chicago Metro Area, including SE Wisconsin & NW Indiana
- We install the equipment we sell and our technicians and installers are factory trained

### Accessibility Showroom:

- We offer a completely operational showroom, open to the public to help customers test equipment and ensure that it is right for them
- The showroom is equipped with Straight and Curved Stair Lifts, a Wheelchair lift, a Home Elevator, a Ramp, Transfer/Ceiling lifts, a Roll-In Shower and an Accessible Bathroom

### We Make House Calls:

- We will come to your home and assess the options that best meet YOUR needs
- Our Home Assessments are free

### We Stock Lifts/Equipment:

- Our large warehouse allows us to keep a selection of lifts and equipment in stock for quick turn-around
- Our leading equipment suppliers are U.S. and North American based
- Our primary equipment manufacturers of stairlifts, wheelchair lifts and elevators are based in the Midwest

### Accessible Remodeling Solutions:

- Your one stop shop for all accessibility solutions including stairlifts, elevators, wheelchair lifts, and bathroom/home remodeling.

### Service:

- We stand behind our work and will be there if your equipment needs repair
- We provide same or next day service in most cases

Serving the greater Chicagoland area, Northwest Indiana, and Southeast Wisconsin.
